

SMART ENERGY: REBATES

2026 Business Energy Audit Rebate

Business Energy Audit

By participating in The City of Chaska Rebate Program, you can discover ways to save money and energy by having a Business Energy Audit conducted by our trained professionals.

What is a Business Audit?

A business energy audit is an inspection of your business that can help improve energy efficiency and save money.

What Is My Cost For an Energy Audit?

There is **no cost** to the participating customer.

The Business Energy Audit

includes the following:

- Analysis of historical electrical usage.
- Short interview with business employee.
- Inspection of facility.
- Inspection of building shell (attic, sidewalls, basement)
- Review of mechanical systems.
- Ventilation System Assessment.
- Detailed report addressing areas of concern; estimated energy savings, cost and payback periods; and recommendations for improving energy efficiency.

How Do I Schedule an Energy Audit?

To schedule an energy audit, simply complete the attached request application and submit it to City of Chaska Electric Department. Qualifying customers must apply for Energy Audit by November 30, 2026.

How do I Qualify?

- Business customers receiving electric service from City of Chaska Electric Department are eligible for an energy audit.
 - The Energy Audit must be performed by one of our trained professionals.**
 - Energy Audits are limited to one audit per customer account ever 3 years.
- Audit requests are processed on a "first-come first-served" basis. Funding for the program is limited and any requests received after the funding limit has been reached will not be approved. Program, qualifications, and amounts are subject to change at any time. The customer is responsible for checking with City of Chaska Electric Department to determine whether the program is still in effect.
