CERTIFICATE OF GRADING AS-BUILT

I hereby certify that on (Date) _____ I conducted an inspection at

(Address) _____,

(Lot) _____ (Block) _____ (Subdivision Name) _____.

and have verified that the grades and elevations of the site and building are consistent with the approved grading/drainage plan and the certificate of survey submitted and approved with the building permit.* I am a duly registered engineer and/or Land Surveyor under the laws of the State of Minnesota.

Signature: _____

Name: _____

Firm Name: _____

Date: _____

Notice: This certificate must be signed and on file with the City before return of escrow.

*Inconsistencies between the plan and as-built condition will require correction and submittal of a revised survey.

Surveys shall be submitted on a scaled 11"x17" drawing to the Chaska Building Inspections Department.

City of Chaska Engineering & Building Department

Certificate of Grading As-Built Survey Requirements

The details/elevations shall be included in all as-built lot grading surveys provided to the City.
